KNOCK OUT the VOTE

OUR VOICE IS NEEDED NOW MORE THAN EVER

BOOMBOX Fam,

🇺🇸 This is not a drill! 🇺🇸 The most consequential presidential election of our lifetime is here, and we want to make sure your voice is heard! Get your 🗳️ ballots 🗳️ in — whether through early voting, via mail, election drop boxes throughout your city, or at the actual polls (Nov 3rd) or on Election Day (Nov. 3).

Let's get it! 🇺🇸

1. **Check your Registration!** Shoutout to everyone who came to our voter registration drive with Lululemon Navy Yard or showed us some love on our [virtual voter registration post](#)! If you've already registered, verify your information with your local board of elections and make sure the name on your ballot matches your state-issued ID.

🗳️ [Visit the Virginia Department of Elections here](#)

2. **Make a Plan!** With COVID still raging in these streets, many will want to avoid crowded polling places come Nov. 3. If you live in DC, there are tons of ways to vote, including mail-in ballots, early voting, and "super voting" centers with room for hundreds to socially distance — same for our MD and VA fam. However you do it, just do it! 🗳️ Bring a mask and a Snickers bar...you could be there for a while.

3. **Know your Ballot!** Whether you're in DC, Maryland or VA, we're not only selecting the the prez and veep, but also council members and other local officials. Find a sample ballot for your area and research 🔍 the candidates and/or issues you aren't sure about. That way, casting your ballot will literally be a 1-2-second-punch kind of thing.

Once you've made your voting plan, let us know [@boombox_boxing!](#) Seeing your comment or post might be what encourages someone else to follow in your footsteps 🇺🇸

Keep Fighting,
Reggie & Angela
